## CORPORATE GOVERNANCE REPORT

The Company's Board is committed to achieving and maintaining high standards of corporate governance principles and processes in managing its business and affairs to enhance long-term shareholder value and business performance, by embracing the tenets of good governance, including accountability, transparency and sustainability of the Group.

The Board sees as its role to:

- (a) Provide leadership guidance, set corporate strategic objectives and directions for Management, which should include appropriate focus on value creation, innovation and sustainability;
- (b) Set the appropriate tone-from-the-top and desired organisational culture, and to ensure proper accountability within the Company;
- (c) Ensure that the necessary resources are in place for the Company to meet its strategic objectives;
- (d) Establish and maintain a sound risk management framework to effectively monitor and control risks;
- (e) Constructively challenge Management and review its performance;
- (f) Instil an ethical corporate culture and ensure that the Company's values, standards, policies and practices are consistent with the culture; and
- (g) Oversee the overall corporate governance of the Group and ensure transparency and accountability to key stakeholder groups.

The Company's Board of Directors Policy sets out the principles and general guidelines for the Directors, who should abide by the policy and any applicable law, legislation, the Catalyst Rules or the Companies Act. The policy covers aspects including Board composition and balance, Board diversity, tenure and number of directorships, Board member selection, and code of conduct for the avoidance of conflicts of interest and dealing in the shares of the Company.

### ***Conflicts of Interest***

Specifically, Directors facing conflicts of interest are to recuse themselves from discussions and decisions involving the issues of conflict. The Company has in place a policy on Board of Directors whereby Directors should refrain from having any conflicts of interests with the Company to ensure that their duty to act in the best interest of the Company is not jeopardised. Directors must immediately report any conflicts of interests that have occurred or may possibly occur as soon as the Directors are aware of such potential or actual conflict of interest. This ensures that Directors continually meet the stringent requirements of independence under the Code.

1.2

### ***Director Competencies***

All directors have a good understanding of the Company's business as well as their directorship duties (including their roles as executive, non-executive and independent directors). For future appointments, the Company will provide each newly appointed Director with a formal letter of appointment setting out the Director's role, duties, obligations and responsibilities, and the expectations of their contribution to the Company.

## CORPORATE GOVERNANCE REPORT

Directors are expected to develop their competencies to effectively discharge their duties and are provided with opportunities to develop and maintain their skills and knowledge at the Company's expense.

All newly appointed Directors will undergo an orientation programme where the Director would be briefed on the Group's strategic direction, governance practices, business and organisation structure as well as the expected duties of a director of a listed company. To get a better understanding of the Group's business, the Directors will also be given the opportunity to visit the Group's operational facilities and meet with Management, whenever required. A new Director who has no prior experience as a director of an issuer listed on the SGX-ST must also undergo mandatory training in his roles and responsibilities as prescribed by the SGX-ST.

Except for Mr Sin Boon Ann and Mr Muhammad Sameer Yousuf Khan, the rest of the Directors of the Company do not have prior experience holding directorship(s) in public listed companies in Singapore. All of the Directors have been on the Company's board for more than six years. To prepare and familiarise themselves with the roles and responsibilities of Directors of a public listed company, Mr Dan Broström, Dr Karl Lidgren and Dr Christopher Atkinson had completed the Listed Company Director courses conducted by the Singapore Institute of Directors (the "SID") following their appointment to the Board.

Directors are also regularly updated with the latest professional developments in relation to the Catalist Rules and other applicable regulatory updates or amendments to relevant laws, rules and regulations to ensure the compliance of the same by all Directors.

In 2020, the Directors attended the following:

<b>Dan Broström</b>	(1)	LGT Bank - Investment Outlook Luncheon

## CORPORATE GOVERNANCE REPORT

To ensure that meetings are held regularly with maximum Directors' participation, the Company's Constitution allows for meetings to be held through telephone and video conferencing software. The Company ensures that telephonic and screen sharing facilities are made available for directors to attend the board meetings.

Regular meetings are held by the Board to deliberate the strategic policies of the Company including significant acquisitions and disposals, review and approve annual budgets, review the performance of the business and approve the public release of periodic financial results. The Board will also convene additional meetings for particular matters as and when they are deemed necessary.

While the Board considers Directors' attendance at Board meetings to be important, it is not the only criterion which the Board uses to measure Directors' contributions. The Board also takes into account the contributions by Board members in other forms including periodical reviews, provision of guidance and advice on various matters relating to the Group.

The responsibility of day-to-day management, administration and operation of the Group are delegated to the Executive Chairman, the Executive Director and the Chief Executive Officer of the Group (the "CEO"). The CEO does not sit on the Board. The CEO has accumulated sufficient and valuable experience to hold his position in order to ensure that his fiduciary duties can be carried out in an effective and efficient manner.

1.6

### ***Complete, adequate and timely information***

Management ensures that all Directors are furnished on an on-going basis with relevant, complete, adequate and timely information concerning the Company, to enable them to make informed decisions and discharge their duties and responsibilities. Information provided to the Board include board papers, copies of disclosure documents, budgets, forecasts, business strategies, risk analyses and assessments, internal financial statements and reports from the internal and external auditors. Most of the information distributed on electronic devices to the Board are password protected for added cyber security. The Board has unrestricted access to the Company's records and information.

Management recognises the importance of circulating information on a timely basis to ensure that the Board has adequate time to review the materials to facilitate a constructive and effective discussion during the scheduled meetings. As such, Management endeavours to circulate information for the Board meetings at least one week prior to the meetings to allow sufficient time for the Directors' review.

1.7

Directors have separate and independent access to Management, the Company Secretary, and external advisers (where necessary) at the Company's expense. The appointment and removal of the Company Secretary is a decision of the Board as a whole.

### ***Board's independent access to Management***

Management is available to provide explanatory information in the form of emails, telephone conferences or briefings to the Directors or formal presentations in attendance at Board meetings, or such information can also be provided by external consultants engaged on specific projects. Directors are also provided with the contact details of key management personnel to facilitate direct and independent access to Management.

Management will also provide any additional material or information that is requested by Directors or that is necessary to enable the Board to make a balanced and informed decision or assessment of the Group's performance, position and prospects.

## CORPORATE GOVERNANCE REPORT

Meetings with subsidiaries, partners and consultants through overseas trips are also arranged, whenever possible. The Executive Chairman also provides frequent information updates to other fellow Directors through emails, telephone conferences and informal meetings.

Furthermore, the Management keeps the Board apprised of regulatory updates and implications, as well as significant project updates.

### ***Company Secretary***

The role of the Company Secretary, the appointment and removal of whom is a matter for the Board as a whole, is as follows:

- Ensuring that Board procedures are observed and that the Company's Constitution, relevant rules and regulations, including requirements of the Securities and Futures Act (Chapter 289 of Singapore), the Companies Act (Chapter 50 of Singapore) and the Catalist Rules, are complied with;
- Assisting the Executive Chairman to ensure good information flow within the Board and the Board Committees and Management;
- Attending and preparing minutes for Board meetings;
- Assisting to ensure coordination and liaison between the Board, the Board Committees and Management, in its capacity as secretary to all other Board Committees; and
- Assisting the Executive Chairman, the Chairman of each Board Committee and Management in the development of the agenda for the various Board and Board Committee meetings.

The Directors have separate and independent access to the Company Secretary.

### ***Independent Professional Advice***

Each Director has the right to seek independent legal and other professional advice, at the Company's expense, concerning any aspect of the Group's operations or undertakings in order to fulfil their duties and responsibilities as Directors.

### **Board Composition and Guidance**

#### ***Principle 2***

***The Board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the company.***

#### 2.1

### ***Independent Directors***

The Board takes into account the existence of relationships or circumstances, including those identified by the Code, that are relevant in its determination as to whether a Director is independent.

The NC has reviewed and confirmed the independence of the Independent Directors in accordance with the Code's definition of an "independent director", practice guidance as to the relationships, the existence of which would deem a Director not to be independent and Rule 406(3)(d) of the Catalist Rules. The Independent Directors have also confirmed their independence in accordance with the Code and Rule 406(3)(d) of the Catalist Rules.

There is no Director who is deemed independent by the Board, notwithstanding the existence of a relationship as stated in the practice guidance to the Code that would otherwise deem him not to be independent.

## CORPORATE GOVERNANCE REPORT

### ***Duration of Independent Directors' Tenure***

It is the Company's policy that the submission for re-election of an Independent Director who has served beyond nine years since the date of his or her appointment would be reviewed and approved by the NC.

There is no Independent Director who has served beyond nine years since the date of his first appointment.

### 2.2 ***Proportion of Independent Non-Executive Directors***

In view that the Executive Chairman is part of the management team and is not an independent director, Provision 2.2 of the Code is met as the Independent Directors make up more than half of the Board since the Company's listing in July 2013.

A majority of three out of five directors on the Board are Independent Non-Executive Directors.

### 2.3 ***Lead Independent Director***

The Company has a lead independent director who plays an additional facilitative role within the Board, and where necessary, may also facilitate communication between the Board and shareholders or other stakeholders of the Company. Please refer to Provision 3.3 of this report for more information.

### 2.4 ***Board Diversity***

The Board comprises five directors: One Executive Chairman, one Executive Director and three Independent Non-Executive Directors, who have the appropriate mix of core competencies and diversity of experience, to direct and lead the Company. There is a good balance between the Executive and Non-Executive Directors, with a strong and independent element on the Board.

The composition of the Board will be reviewed on an annual basis by the NC to ensure that the Board has the appropriate mix of expertise and experience, and collectively possess the necessary core competencies for effective functioning and informed decision-making.

The Board's policy in identifying director nominees is primarily to have an appropriate mix of members with complementary skills, core competencies and experience for the Group, regardless of gender, ethnicity or nationality. The current five Board members are of four different nationalities. The Company is also receptive to achieving gender diversity on the Board and appointment of a female director to the Board if it encounters suitable candidates.

The Board is of the view that the current board size is appropriate to effectively facilitate decision making in relation to the operations of the Group, taking into account the nature and scope of the Company's operations. The Board believes that the current Board members comprise persons whose diverse skills, experience and attributes provide for effective direction for the Group. The NC is also of the view that the current Board members comprise persons with a broad range of expertise and experience in diverse areas including accounting, finance, legal, business and management, technology, oil and gas, strategic planning and regional business experience.

The Board has taken the following steps to maintain or enhance its balance and diversity:

- Annual review by the NC and periodic engagement of external consultants to assess if the existing attributes and core competencies of the Board are complementary and enhance the efficacy of the Board; and

## CORPORATE GOVERNANCE REPORT

- Annual evaluation by the Directors of the skill sets the other Directors possess, with a view to understand the range of expertise which is lacking by the Board.

To meet the changing challenges in the industry and countries which the Group operates in, such reviews and evaluations, which includes considering factors such as the expertise, skills and perspectives which the Board needs against the existing competencies, would be done on a periodic basis to ensure that the Board dynamics remain optimal.

The NC will consider the results of these exercises in its recommendation for the appointment of new directors and/or the re-appointment of incumbent directors.

2.5

### ***Non-Executive Director Meetings in Absence of Management***

The Independent Non-Executive Directors constructively challenge and help develop proposals on strategies. From time to time, the Independent Non-Executive Directors, led by any independent director as appropriate, have met in the absence of Management in FY2020 to discuss concerns or matters such as overall Group business strategies and investments. The chairman of such meetings provides feedback to the Board and/or the Executive Chairman as appropriate.

### **Chairman and Chief Executive Officer**

**Principle 3**

***There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.***

3.1

### ***Segregation of the Role of Chairman and the CEO***

The roles of the Executive Chairman and the CEO are separate to ensure a clear division of their responsibilities, increased accountability and greater capacity of the Board for independent decision making. The Executive Chairman is not related to the CEO and is not a substantial shareholder of the Company.

The Executive Chairman leads and ensures the effectiveness of the Board, and his roles include:

- Promoting a culture of openness and debate at the Board;
- Facilitating the effective contribution of all Directors; and
- Promoting high standards of corporate governance.

The Executive Chairman sets the Board's meeting agenda and ensures the quality, quantity and timeliness of the flow of information between the Board and Management to facilitate efficient decision-making. He chairs the Board meetings and encourages the Board members to present their views on topics under discussion at the meetings in a boardroom culture that promotes open interaction and contributions by all. He also assists in ensuring compliance with the Group's guidelines on corporate governance.

Externally, the Executive Chairman is the face of the Board and ensures effective communication with shareholders and other stakeholders. Within the Company, the Executive Chairman ensures appropriate relations within the Board, and between the Board and Management, in particular, between the Board and the CEO.

## CORPORATE GOVERNANCE REPORT

The CEO is responsible for the business management and day-to-day operations of the Group. The CEO takes a leading role in developing and expanding the businesses of the Group, including making major business and finance decisions. The CEO also oversees the execution of the Group's business and corporate strategy as set out by the Board and ensures that the Directors are kept updated and informed of the Group's businesses.

3.2 The Board has established and set out in writing the division of responsibilities between the Executive Chairman and the CEO. The Executive Chairman's performance and appointment to the Board were reviewed by the NC. The Executive Chairman and CEO's remuneration packages were reviewed by the RC. As the roles of the Executive Chairman and the CEO are separate, and the AC, NC and RC comprise a majority of Independent Directors of the Company, the Board believes that there are adequate safeguards in place to ensure a balance of power and authority, such that no one individual represents a considerable concentration of power.

### 3.3 ***Lead Independent Director***

The Board has a Lead Independent Director, Mr Sin Boon Ann, to provide leadership in situations where the Executive Chairman is conflicted. The appointment of Mr Sin Boon Ann as the Lead Independent Director, where the Executive Chairman is part of the management team and is not an independent director, is in line with the recommendation under Provision 3.3 of the Code. The Lead Independent Director is a key member of the Board, representing the views of the Independent Directors and facilitating a two-way flow of information between shareholders, the Chairman and the Board.

The Lead Independent Director's role may include chairing Board meetings in the absence of the Chairman, working with the Chairman in leading the Board, and providing a channel to non-executive directors for confidential discussions on any concerns and to resolve conflicts of interest as and when necessary.

Mr Sin Boon Ann is also chairman of the NC and the RC. The NC is responsible for conducting annual performance evaluation and development succession plans for the Chairman and CEO; while the RC is responsible for designing and assessing the Chairman's remuneration.

The Lead Independent Director also makes himself available at all times when shareholders have concerns and for which contact through the normal channels of communication with the Executive Chairman or Management have failed to resolve or are inappropriate. The Lead Independent Director makes himself available to shareholders at the Company's general meetings.

### ***Independent Director Meetings in Absence of Other Directors***

To facilitate well-balanced viewpoints on the Board, the Lead Independent Director will, where necessary, chair meetings with the Independent Directors without the involvement of other Directors, and the Lead Independent Director will provide feedback to the Executive Chairman after such meetings.

## CORPORATE GOVERNANCE REPORT

- (i) Developing a process for evaluation of the performance of the Board, the Board Committees and Directors and proposing objective performance criteria, as approved by the Board that allows comparison with its industry peers, and addresses how the Board has enhanced long-term shareholders' value.

4.2 The Board has established an NC which comprises three members, a majority of whom including the Chairman of the NC, are Independent Directors. The members of the NC, with the Lead Independent Director as Chairman, are as follows:

Sin Boon Ann	Chairman	Lead Independent Non-Executive Director
Muhammad Sameer Yousuf Khan	Member	Independent Non-Executive Director

“Principle Commitments” as defined in the Code include all commitments which involve significant time commitment such as full time occupation, consultancy work, committee work, non-listed company board representations and directorships and involvement in non-profit organisations. Where a director sits on the boards of non-active related corporations, those appointments should not normally be considered principal commitments.

Further information on the Directors are set out on pages 11 to 13 of this Annual Report.

## CORPORATE GOVERNANCE REPORT

### ***Multiple Directorships***

The Board has capped the maximum number of listed company board representations each Director may hold to seven. This is to ensure the Directors have sufficient time and attention to adequately perform their role.

Notwithstanding the above, the NC is of the view that the effectiveness of each of the Directors is best assessed by a qualitative assessment of the Director's contributions, after taking into account his other listed company board directorships and other principal commitments. The NC also believes that it is for each Director to assess his own capacity and ability to undertake other obligations or commitments together with serving on the Board effectively, whilst taking into consideration the maximum number of listed company board representations each Director may hold. The NC does not wish to omit from consideration outstanding individuals who, despite the demands on their time, have the capacity to participate and contribute as members of the Board.

The considerations in assessing the capacity of Directors include the following:

- Expected and/or competing time commitments of Directors;
- Geographical location of Directors;
- Size and composition of the Board; and
- Nature and scope of the Group's operations and size.

The NC takes into consideration the following measures and evaluation tools in its assessment of competing time commitments of Directors:

- Declarations by individual Directors of their other listed company board directorships and principal commitments;
- Annual confirmations by each Director on his/her ability to devote sufficient time and attention to the Company's affairs, having regard to his/her other commitments; and
- Assessment of the individual Directors' performance based on the criteria set out in Principle 5 of this report.

The NC has reviewed the time spent and attention given by each of the Directors to the Company's affairs, taking into account the multiple directorships and other principal commitments of each of the Directors (if any), and is satisfied that all Directors have discharged their duties adequately in FY2020.

### ***Alternate Directors***

The Company does not have any alternate directors on its Board currently. Alternate directors may be appointed as and when the Board deems necessary. Circumstances which warrant such appointments may include health and age related concerns as well as Management succession plans.

### ***Re-election of Directors***

The NC has recommended to the Board that Sin Boon Ann and Dan Broström, who are due to retire pursuant to the Constitution, be re-elected at the forthcoming AGM.

Sin Boon Ann will, upon re-election as a Director, remain as the Lead Independent Non-Executive Director of the Company, the Chairman of the NC and the RC respectively, and a member of the AC. Further information on Sin Boon Ann can be found on pages 98 to 102 of the Annual Report.

## CORPORATE GOVERNANCE REPORT

Dan Broström will, upon re-election as a Director, remain as the Executive Chairman of the Company, and a member of the AC and the RC. Further information on Dan Broström can be found on pages 98 to 102 of the Annual Report.

The Constitution further provides that any Director appointed to fill a casual vacancy or as an additional Director shall hold office only until the next AGM of the Company and shall then be eligible for re-election, but shall not be taken into account in determining the number of Directors who are to retire by rotation at such meeting.

Each member of the NC has abstained from voting on any resolutions and making recommendation and/or participating in respect of matters in which he has an interest.

### Board Performance

**Principle 5** *The Board undertakes formal annual assessment of its effectiveness as a whole, and that of each of its board committees and individual directors.*

#### 5.1 *Performance Criteria*

The Board has established processes including taking into consideration the attendance record at the meetings of the Board and the Board Committees for monitoring and evaluating the performance of the Board as a whole and effectiveness and contribution of individual directors. At the same time, the processes also identify weaker areas where improvements can be made. The Board and individual directors can direct more effort in those areas for achieving better performance of the Board and better effectiveness of individual directors.

The NC has been tasked to evaluate the Board's performance covering areas that include, *inter alia*, size and composition of the Board, Board's access to information, Board processes, strategic planning and accountability.

The NC shall also review the overall performance of the Board in terms of its role and responsibilities and the conduct of its affairs as a whole. The Board is of the opinion that a separate assessment on the effectiveness of the Board Committees is not necessary as the Board Committees share common members.

The review of the performance of the Board is conducted by the NC annually. The review of the performance of each Director is also conducted at least annually and when the individual Director is due for re-election.

#### 5.2 For FY2020, the review process was as follows:

1. All Directors individually completed a board evaluation questionnaire on the effectiveness of the Board based on criteria disclosed;
2. The Company Secretary collated and submitted the questionnaire results to the NC Chairman in the form of a report;
3. The NC discussed the report and concluded the performance results during the NC meeting; and
4. Each individual Director was also requested to send a duly completed confidential individual director self-assessment checklist to the NC chairman for review.

## CORPORATE GOVERNANCE REPORT

All NC members have abstained from the voting or review process of any matters in connection with the assessment of their individual performance.

The assessment criteria include, *inter alia*, Director's attendance, commitment of time, candour, participation, knowledge and abilities, teamwork, and overall effectiveness.

The NC would review the aforementioned criteria on a periodic basis to ensure that the criteria is able to provide an accurate and effective performance assessment taking into consideration industry standards and the economic climate with the objective to enhance long term shareholders value, and thereafter propose amendments if any, to the Board for approval. There has been no change in assessment criteria for FY2020 as the assessment criteria for the financial year ended 31 December 2019 was considered adequate for the aforementioned assessment.

The NC, having reviewed the overall performance of the Board in terms of its role and responsibilities and the conduct of its affairs as a whole, is of the view that the performance of the Board has been satisfactory in FY2020 and that the Board has met its performance objectives in FY2020. The evaluation process of the overall performance of the Board was conducted without an external facilitator in FY2020.

### REMUNERATION MATTERS

#### Procedures for Developing Remuneration Policies

#### **Principle 6**

***The Board has a formal and transparent procedure for developing policies on director and executive remuneration, and for fixing the remuneration packages of individual directors and key management personnel. No director is involved in deciding his or her own remuneration.***

#### 6.1

#### ***Remuneration Committee***

To effect the best corporate governance, the Company has established an RC. The RC recommends to the Board a framework of remuneration for the Directors and key management personnel, and determines specific remuneration packages for each Director as well as for the key management personnel. The recommendations will be submitted for endorsement by the Board.

All aspects of remuneration, including but not limited to directors' fees, salaries, allowances, bonuses and benefits in kind, will be covered by the RC. The RC will also review annually the remuneration of employees related to the Directors and substantial shareholders to ensure that their remuneration packages are in line with the staff remuneration guidelines and commensurate with their respective job scopes and level of responsibilities. The RC will also review and recommend to the Board any bonuses, pay increases and/or promotions for the employees related to the Directors and substantial shareholders. Each RC member will abstain from participating in the deliberations of and voting on any resolution in respect of his remuneration package or that of employees related to him.

The RC is guided by key terms of reference as follows:

- (a) Review and recommend to the Board a general framework of remuneration and specific remuneration packages for each Director and key management personnel;
- (b) Review and recommend to the Board the service contracts of Executive Directors and key management personnel and ensure that such services contracts are fair and not excessively long or with onerous renewal/termination clauses; and

## CORPORATE GOVERNANCE REPORT

- (c) In respect of such long-term incentive schemes (if any) including share schemes as may be implemented, to consider whether Directors should be eligible for benefits under such long-term incentive schemes.

6.2 The RC comprises three members, of which a majority including the chairman of the RC are independent:

Sin Boon Ann	Chairman	Lead Independent Non-Executive Director
Dan Broström	Member	Executive Chairman
Muhammad Sameer Yousuf Khan	Member	Independent Non-Executive Director

The RC does not comprise solely of Non-Executive Directors following the appointment of Mr Dan Broström, the Executive Chairman, as a member of the RC. Taking into account that the Executive Chairman would be able to provide relevant input and guidance to the RC, given his familiarity with the Group's activities as well as industry and market practices (including remuneration packages which are in line with the current market standards and commensurate with the respective job scope and responsibilities of executives) in jurisdictions where the Group operates, the NC had recommended his appointment to the Board. The Board opined that as the RC continued to have majority representation of independent directors, the independent directors collectively, would have the decisive vote in relation to executive remuneration matters. Furthermore, retaining a RC member who is in an executive position will not lead to a conflict of interest or impede the independence of the RC as no Director or member of the RC is allowed to participate in the deliberation, and has to abstain from voting on any resolution, relating to his own remuneration or that of employees related to him. Based on the foregoing, the Board had approved Mr Dan Broström's appointment as a member of the RC.

6.3 The RC considers all aspects of remuneration, including director's fees, salaries, allowances, bonuses, options, share-based incentives and awards, benefits in kind and termination terms, to ensure that they are fair and avoid rewarding poor performance. The RC also reviews the Company's obligations arising in the event of termination of the Executive Directors' and key management personnel's contracts of service, to ensure that such contracts of service contain fair and reasonable termination clauses which are not overly generous.

6.4 ***Remuneration Consultant***

The RC may from time to time, where necessary or required, seek advice from external consultants in framing the remuneration policy and determining the level and mix of remuneration for Directors and Management, so that the Group remains competitive in this regard. No external remuneration consultant was engaged for FY2020.

### ***Level and Mix of Remuneration***

***Principle 7*** ***The level and structure of remuneration of the Board and key management personnel are appropriate and proportionate to the sustained performance and value creation of the company, taking into account the strategic objectives of the company.***

7.1 ***Remuneration Structure***

In setting remuneration packages, the RC will take into consideration the pay and employment conditions within the industry and in comparable companies. The RC also seeks to ensure that the structure of remuneration packages for the Executive Chairman, the Executive Director and key management personnel are appropriate in linking rewards with performance and that is aligned with the interests of shareholders and promote the long-term success of the Group.

## CORPORATE GOVERNANCE REPORT

7.2 The remuneration of the Independent Non-Executive Directors is also reviewed by the RC to ensure that the remuneration is commensurate with the contribution, taking into account factors such as effort, time spent and responsibilities of the Independent Non-Executive Directors.

### *Performance Criteria for Remuneration*

The remuneration received by the Executive Directors and key management personnel takes into consideration his or her individual performance and contribution towards the overall performance of the Group for FY2020. Their remuneration is made up of fixed and variable compensation. The fixed compensation consists of an annual base salary, fixed allowance and annual wage supplement. The variable compensation is determined based on the level of achievement of corporate performance objectives.

The Company's Executive Directors and key management personnel have been assessed against performance targets set based on the average of the Company's closing market prices of shares over a consecutive period of five market days in which transaction of the shares were to be recorded and achieved over a set time period.

The remuneration of the Executive Chairman includes a per hour rate with a cap and a variable performance related bonus, which is designed to align the interests of the Executive Chairman with those of shareholders.

The Independent Non-Executive Directors receive Directors' fees based on their responsibilities, effort and time spent. The Directors' fees are recommended by the RC and endorsed by the Board for approval by the shareholders of the Company at the AGM.

The Group's key management personnel, namely, Mr Dan Broström, Dr Karl Lidgren, Mr Måns Lidgren, Mr Svein Kjellesvik, Mr Per Lind, Mr Kristofer Skantze and Ms Mok Lai Siong, each carry out their respective roles and responsibilities pursuant to the terms of a service agreement (collectively, the "**Service Agreements**").

Save for Mr Måns Lidgren and Mr Svein Kjellesvik, the other Service Agreements are to be automatically renewed annually for another year unless otherwise agreed in writing between the Company and the executive or terminated in accordance with the terms of the Service Agreements. Mr Måns Lidgren does not have a fixed term and his services may be terminated by either party giving the other not less than six months' notice in writing. Mr Svein Kjellesvik's contract relates to his role as executive chairman of Lime Petroleum AS. There is no service contract with the Independent Directors and the term of their appointment is not fixed.

The Company will submit the quantum of Directors' fees of each financial year to the shareholders for approval at each AGM.

## CORPORATE GOVERNANCE REPORT

### **Contractual Provisions**

The present Service Agreements do not include the contractual provisions to allow the Company to reclaim incentive components of remuneration from Executive Directors and key management personnel in exceptional circumstances of misstatement of financial results, or of misconduct resulting in financial loss to the Company. The Company will consider to include this provision for future new service agreements and renewal of service agreements, if appropriate. However, the Company has included in the terms of the Rex International Performance Share Plan, allowance for the Company to cancel the share awards before the date of the vesting of the awards in the event of misconduct at its discretion. The Company has also included in the terms of the Rex International Employee Share Option Scheme, to allow for the share option committee to cancel unexercised options in the event of misconduct at its discretion.

### ACCOUNTABILITY AND AUDIT

#### Accountability

#### **Principle 9**

***The Board is responsible for the governance of risk and ensures that Management maintains a sound system of risk management and internal controls, to safeguard the interests of the company and its shareholders.***

9.1

The Board, with the assistance from the AC and the Risk Management Committee ("**RMC**"), is responsible for risk governance and ensuring that Management maintains a sound system of risk management and internal controls to safeguard the shareholders' interests and the Company's assets. The Board appreciates that risk management is an on-going process in which Management continuously participates to evaluate, monitor and report to the Board and the AC on significant risks. The RMC was formed in October 2013. The current RMC consists of the following members: Mr Muhammad Sameer Yousuf Khan (Independent Non-Executive Director and Chairman of the AC), Mr Per Lind (Chief Financial Officer ("**CFO**")), Mr Svein Kjellesvik (COO) and Ms Lixian Wu (Financial Controller).

From FY2013 to FY2018, the Company has engaged an independent third party, KPMG Services Pte. Ltd., to develop and establish a Board Assurance Framework ("**BAF**"). The BAF, which includes an enterprise risk management framework, was utilised by the Company to identify and manage the significant and material risks it faces, the potential impact and likelihood of those risks occurring, the control effectiveness and action plans being taken to mitigate those risks. The risk review in FY2020 was done in-house. The RMC has considered in detail the most material risks for the Company which include strategic, financial, operational, compliance, fraud and corruption, litigation and cyber security risks; and has put in place risk controls, action plans and key risk indicators to mitigate these risks, the details of which contain market sensitive information and hence are kept confidential.

The Company has established risk appetite statements with tolerance limits to monitor shifts in its significant risks and to proactively manage them within acceptable levels. These appetite statements have been reviewed and approved by the Board and are monitored on a yearly basis.

The Company has appointed an independent third party, Ernst and Young Advisory Pte Ltd ("**EY**"), as the Internal Auditors ("**IA**") to perform internal audit reviews and highlight all significant matters to Management and the AC on an annual basis on various selected internal control areas.

## CORPORATE GOVERNANCE REPORT

### 9.2

#### ***Adequacy and Effectiveness of Internal Controls***

The Board is of the view that the Company's internal controls (including financial, operational, compliance and information technology controls) and risk management systems were adequate and effective for FY2020.

The bases for the Board's view are as follows:

- (a) Assurance has been received from the CEO and the CFO;
- (b) An internal audit has been done by the IA and significant matters highlighted to the AC and Management were appropriately addressed;
- (c) Management regularly evaluates, monitors and reports to the AC and the RMC on material risks;
- (d) Discussions were held between the AC and auditors in the absence of the Management to review and address any potential concerns;
- (e) An enterprise risk management framework was in place to identify, manage and mitigate significant risks; and
- (f) Risk appetite statements with tolerance limits have been approved by the Board to contain risks within acceptable levels and are monitored on a yearly basis.

The AC is responsible for making the necessary recommendations to the Board regarding the adequacy and effectiveness of the risk management and internal control systems of the Company. In this regard, the AC is assisted by the enterprise risk reports from the RMC.

For FY2020, the Board has obtained the following assurance:

- (a) From the CEO and the CFO that the financial records have been properly maintained and the financial statements give a true and fair view of the Company's operations and finances; and
- (b) From the CEO and other key management personnel who are responsible, regarding the adequacy and effectiveness of the Company's risk management and internal control systems.

The Board has relied on the independent auditors' report as set out in this Annual Report as assurance that the consolidated financial statements give a true and fair view of the Group's financial position and performance.

The Board has additionally relied on the IA's reports in respect of the BAF issued to the Company since FY2013 as assurances that the Company's risk management and internal control systems are effective. The IA's scope of work includes conducting risk assessments to identify the risk categories and major risk areas of the Company's subsidiaries; developing a risk-based internal audit plan based on the risk assessment results; and conducting a detailed process for audit programmes for the internal audit. The IA also performs analytics and fieldwork for areas in the scope of work for the audit period and discusses the findings with Management, which are then incorporated into the final report that is presented to the AC in a timely manner.

In relation to sustainability, the Group, as a young company, aspires to do good in the communities it operates in, be it to have minimal impact on the environment in its operations, or in helping the underprivileged. Please refer to the Sustainability section on pages 44 to 60 of this Annual Report for more details.

# CORPORATE GOVERNANCE REPORT

## Audit Committee

### **Principle 10** *The Board has an Audit Committee (“AC”) which discharges its duties objectively.*

10.1

The AC is guided by the following key terms of reference:

- (a) Reviewing the significant financial reporting issues and judgments so as to ensure the integrity of the financial statements of the Company and any announcements relating to the Company's financial performance. Where the external auditors (“EA”), in their review or audit of the Company's year-end financial statements, raise any significant issues (for example, significant adjustments) which have a material impact on the interim financial statements or financial updates previously announced by the Company, the AC is to bring this to the Board's attention immediately;
- (b) Advise the Board if changes are needed to improve the quality of future interim financial statements or financial updates;
- (c) Reviewing at least annually the adequacy and effectiveness of the Company's internal controls and risk management systems;
- (d) Reviewing the assurance from the CEO and CFO on the financial records and financial statements;

- (i) Reviewing financial statements and results announcements before submission to the Board of Directors for approval, focusing in particular, on changes in accounting policies and practices, major risk areas, significant adjustments resulting from the audit, the going concern statement, compliance with financial reporting standards as well as compliance with the Catalist Rules and any other statutory/regulatory requirements. Quarterly financial statements are made, but announcements are only made for half-year and annual results. Announcements on use of funds/ cash by mineral, oil and gas companies are made quarterly;
- (j) Reviewing the effectiveness and adequacy of the Group's internal control and procedures, including accounting and financial controls and procedures and ensure co-ordination between the IA, the EA and Management, reviewing the assistance given by Management to the auditors, and discussing problems and concerns, if any, arising from the interim and final audits, and any matters which the auditors may wish to discuss (in the absence of Management where necessary);

## CORPORATE GOVERNANCE REPORT

- (k) Reviewing and discussing with the EA and IA any suspected fraud or irregularity, or suspected infringement of any relevant laws, rules or regulations, which has or is likely to have a material impact on the Group's operating results or financial position, and Management's response;
- (l) Making recommendations to the Board of Directors on the proposals to the shareholders on the appointment, re-appointment and removal of the EA, and approving the remuneration and terms of engagement of the EA;
- (m) Assessing the quality of the work carried out by the EAs, and the basis of such assessment;

- (t) Generally undertaking such other functions and duties as may be required by statute or the Catalist Rules, and by such amendments made thereto from time to time.

### **Authority of the AC**

Apart from the duties listed above, the AC shall commission and review the findings of internal investigations into matters where there is any suspected fraud or irregularity, or failure of internal controls or infringement of any Singapore law, rule or regulation which has or is likely to have a material impact on the Group's operating results and/or financial position. Each member of the AC will abstain from participating in the deliberations of and voting in respect of matters in which he is interested.

The AC has the power to conduct or authorise investigations into any matters within the AC's terms of reference. The AC has full access to and co-operation of the Management and has full discretion to invite any Director or executive officer to attend its meetings, and has been given reasonable resources to enable it to discharge its functions.

The AC is authorised to obtain independent professional advice as it deems necessary in the discharge of its responsibilities. Such expenses are to be borne by the Company.

10.2 The Company has established the AC comprising the following three members, the majority of whom, including the Chairman of the AC, are independent:

Muhammad Sameer Yousuf Khan	Chairman	Independent Non-Executive Director
Dan Broström	Member	Executive Chairman
Sin Boon Ann	Member	Lead Independent Non-Executive Director

## CORPORATE GOVERNANCE REPORT

However, not all of the members of the AC are Non-Executive Directors. Mr Dan Broström, the Executive Chairman, is a member of the AC. Taking into account that he would be able to provide relevant input and guidance to the AC, given his familiarity with the Group's activities as well as industry and market practices in jurisdictions where the Group operates, the NC had recommended his appointment to the Board. The Board had then approved his appointment as a member of the AC. Further, the Board is of the opinion that the AC continues to have majority representation of independent directors, and the independent directors collectively, would have the decisive vote in relation to proposals made by the Management. The AC (excluding Mr Dan Broström) meets with the external and internal auditors without the presence of Management at least once a year, to, *inter alia*, ascertain if there are any material weaknesses or control deficiency in the Group's financial reporting and operational systems. Mr Dan Broström, being an Executive Director, has been excluded from the aforesaid meetings to ensure that the AC remains a platform for external and internal auditors to provide their independent opinions without the influence of Management. This arrangement is essential to ensure that the presence of an Executive Director on the AC will not lead to any conflict of interest or impede the independence of the AC.

The remaining members of the AC are Independent Non-Executive Directors who do not have any management and business relationships with the Company or any substantial shareholder of the Company.

At least two members, including the AC Chairman, have recent and relevant accounting or related financial management expertise or experience.

Mr Muhammad Sameer Yousuf Khan, the Chairman of the AC, has more than 40 years of experience in the fields of accounting, business and financial advisory. Mr Sin Boon Ann, a member of the AC, was with Drew & Napier LLC from 1992 to March 2018; his last appointment being Deputy Managing Director, Corporate and Finance Department and Co-head of the Capital Markets Practice, before his retirement.

10.3 None of the AC members were previous partners or directors of the Company's existing external auditing firm within the previous 24 months and none of the AC members hold any financial interest in the external auditing firm or auditing corporation.

10.4 The primary reporting line of the IA function is to the AC, which also decides on the appointment, termination and remuneration of the head of the internal audit function. The internal audit function has unfettered access to all the Company's documents, records, properties and personnel, including the AC, and has appropriate standing within the Company.

### ***Qualifications of the AC***

The Board is of the view that the AC chairman and members are appropriately qualified, with the necessary accounting, financial advisory, business management, corporate and finance, investment and corporate legal expertise and experience to discharge the AC's functions. The AC chairman, having more than 40 years of experience in the fields of accounting, business and financial advisory, is well qualified to chair the AC.

10.5 ***Meeting between the AC and Auditors***

The AC (excluding Executive Chairman Mr Dan Broström) meets with the external and internal auditors without the presence of Management at least once a year, to, *inter alia*, ascertain independently, if there are any material weaknesses or control deficiency in the Group's financial reporting and operational systems. The AC has separately met with the IA and the EA once in the absence of Management in FY2020.

## CORPORATE GOVERNANCE REPORT

### *Independence of External Auditor*

The AC has reviewed the non-audit services provided by the EA and is satisfied that the nature and extent of such services would not prejudice the independence of the EA, and has recommended the re-appointment of the EA at the forthcoming AGM.

<i>Fees Paid / Payable to the EA for FY2020</i>		
	<b>S\$</b>	<b>% of total</b>
<b>Audit fees</b>	255,854	97.56
<b>Non-audit fees</b>		
- Tax advice advisory	6,400	2.44
	<b>262,254</b>	<b>100</b>

Notwithstanding the volume of non-audit services rendered to the Company, the AC is satisfied that the EA remains independent after considering the following:

- That all relationships and/or arrangements between the audit firm and the Company that may reasonably be thought to affect the EA's objectivity and as disclosed by the audit engagement partner did not impair the independence and objectivity of the EA; and
- The audit engagement partner has confirmed that, in his professional judgment, the audit firm is independent.

The AC also periodically receives updates on changes in accounting standards provided by the EA and circulated to members of AC.

There is no disagreement between the Board and AC regarding the selection, appointment, resignation or dismissal of the EA. In re-appointing the EA, the AC evaluates the performance of the EA, taking into consideration the Audit Quality Indicators Disclosure Framework published by the Accounting and Corporate Regulatory Authority.

### *Whistle-blowing Policy*

The Company has in place a whistle-blowing policy. The Company's staff and any other persons may, in confidence, raise concerns about possible improprieties in matters of financial reporting or other matters by submitting to the AC a whistle-blowing report to [whistleblowing@rexih.com](mailto:whistleblowing@rexih.com), as stated on the Company's webpage [https://investor.rexih.com/whistle\\_blowing\\_policy.html](https://investor.rexih.com/whistle_blowing_policy.html).

The AC has ensured that arrangements are in place for such concerns to be raised and independently investigated, and for appropriate follow-up action to be taken. The details of the policy have been disseminated and made available to all parties concerned in the Company's code of conduct. There have not been any whistle-blowing reports during FY2020.

### *Audit Committee Activities*

During the year, the AC reviewed the financial statements of the Group before the announcement of the Group's half-year and full-year results. In the process, the AC reviewed the key areas of management's estimates and judgement applied for key financial matters including impairment testing, adequacy of provisioning and disclosure, the application of critical accounting policies and any other significant matters that might affect the integrity of the financial statements. The AC has considered the report from the EA, including their findings on the key areas of audit focus.

## CORPORATE GOVERNANCE REPORT

Significant matters that were discussed with Management and the EA have been included as key audit matters (“**KAMs**”) in the audit report for the financial year ended 31 December 2020. Refer to pages 111 to 116 of this Annual Report.

In line with the terms of reference of the AC, the following activities were carried out by the AC during FY2020 in the discharge of its functions and duties including the deliberation and review of:

- The unaudited half-year and full year financial results of the Group and announcements prior to submission to the Board for approval and release on the SGXNet;
- The quarterly announcement on the use of funds / cash by mineral, oil and gas companies;
- The internal and external audit plans in terms of their scope of audit prior to their commencement of their annual audit;
- The EA’s report in relation to audit and accounting issues arising from the audit;
- The IA’s finding report including internal control processes and procedures;
- The adequacy and effectiveness of the Company’s system of risk management and internal controls, including financial, operational, compliance and information technology controls and reporting the findings to the Board;
- The audited financial statements of the Group prior to submission to the Board of Directors for consideration and approval;
- The external audit and internal audit fees for FY2020 and recommendation to the Board for approval;
- The quality of EA across a number of evaluation criteria, including measures of relevance and quality of its works as well as its independence and re-appointment of the EA and recommendation to the Board for approval; and
- Interested person transactions falling within scope of Chapters 9 and 10 of the Catalist Rules and any potential conflicts of interests.

### ***Internal Audit***

The Company’s IA function is outsourced to EY that reports directly to the AC and administratively to the CEO. The AC is responsible for the hiring, removal, evaluation and compensation of the accounting or auditing firm or corporation which the internal audit function of the Company is outsourced to.

The AC reviews and approves the internal audit plan to ensure the adequacy of the scope of audit. The internal audit plan complements that of the EA and together forms a robust risk-based audit approach to facilitate the AC’s review of the adequacy and effectiveness of the Group’s risk management and internal control systems.

The AC is satisfied that EY is able to discharge its duties effectively as it:

- is adequately qualified, given that the partner/head of the internal audit and staff assigned to the internal audit of the Company are members of the Institute of Internal Auditors and it adheres to standards set by internationally recognised professional bodies, including the Standards for the Professional Practice of Internal Auditing set by The Institute of Internal Auditors;
- is adequately resourced with the Company’s internal audit, led by Mr Neo Sing Hwee, who has more than 20 years of relevant, diverse internal audit and risk management experience; and
- has the appropriate standing in the Company, given, *inter alia*, its involvement in certain AC meetings and its unfettered access to all the Group’s documents, records, properties and personnel, including direct access to the AC.

## CORPORATE GOVERNANCE REPORT

The primary functions of the IA are to:

- (a) Assess if adequate systems of internal controls are in place to protect the funds and assets of the Group and to ensure control procedures are complied with;
- (b) Conduct regular in-depth audits of high-risk areas; and
- (c) Identify and recommend improvement to internal control procedures, where required.

The AC has reviewed the report submitted by EY on internal procedures, the EA's report and the internal controls in place, and is satisfied that there are adequate internal controls in the Company.

The AC will review on an annual basis the adequacy and effectiveness of the IA function.

The AC had reviewed and is of the view that the IA function is adequate and effective in FY2020.

### SHAREHOLDER RIGHTS AND ENGAGEMENT SHAREHOLDER RIGHTS AND CONDUCT OF GENERAL MEETINGS

#### *Principle 11*

***The company treats all shareholders fairly and equitably in order to enable them to exercise shareholders' rights and have the opportunity to communicate their views on matters affecting the company. The company gives shareholders a balanced and understandable assessment of its performance, position and prospects.***

#### *Shareholder Rights*

The Company treats all shareholders fairly and equitably, and recognises, protects and facilitates the exercise of shareholders' rights and continually reviews and updates such governance arrangements.

The Company is committed to making timely, full and accurate disclosure to shareholders and the public. All information on the Company's new initiatives which would be likely to materially affect the price or value of the Company's shares will be promptly disseminated via SGXNet to ensure fair communication with shareholders.

The Company has endeavoured to provide a longer notice period of 28 days for its Annual General Meetings and Extraordinary General Meetings over the past few years.

#### 11.1

The Company provides shareholders with the opportunity to participate effectively in and vote at general meetings of shareholders and informs them of the rules governing general meetings of shareholders.

Shareholders are encouraged to attend the AGM/EGM to ensure a high level of accountability and to stay apprised of the Group's strategy and goals. Shareholders are given the opportunity to raise questions and clarify any issues that they may have relating to the resolutions to be passed. Notice of the General Meetings will be advertised in newspapers and announced on SGXNet.

An independent polling agent is appointed by the Company for general meetings who will explain the rules, including the voting procedures that govern the general meeting of shareholders. The Company ensures that shareholders are given the opportunity to participate effectively in and vote at general meetings.

## CORPORATE GOVERNANCE REPORT

11.2 The Company tables separate resolutions at general meetings of shareholders on each substantially separate issue unless the issues are interdependent and linked so as to form one significant proposal. If a scenario arises where the resolutions are inter-conditional, it is the Company's current intention to explain the reasons and material implications in the notice of meeting.

The Company typically ensures that there are separate resolutions at general meetings on each distinct issue.

All resolutions are put to vote by poll, and their detailed results will be announced via SGXNet on the same day after the conclusion of the general meeting. Electronic poll voting has been adopted since 2017 so as to better reflect shareholders' interest and ensure greater transparency in the voting process. An independent scrutineer is also appointed for the electronic poll voting process. Votes cast for and against each resolution will be tallied and displayed live-on-screen to shareholders or their appointed proxies immediately after each poll had been conducted at the meeting.

11.3 The Company requires all Directors (including the respective chairman of the Board Committees) and senior management, to be present at all general meetings of shareholders, unless in cases of exigencies. The EA is also required to be present to address shareholders' queries about the conduct of audit and the preparation and content of the independent auditor's report. Directors' attendance at the general meetings held in the financial year ended 31 December 2020 is tabled on page 64 of this Annual Report. All Directors attended the general meetings held in 2020.

11.4 The Company's Constitution allows for absentia voting (including but not limited to the voting by mail, electronic mail or facsimile). As the authentication of shareholder identity and other related security and integrity issues still remains a concern, the Company has decided for the time being, not to implement absentia voting methods such as voting via mail, electronic mail or facsimile. A shareholder is entitled to attend and vote or to appoint not more than two proxies who need not be a shareholder of the Company, to attend and vote at the meetings on his behalf.

The Company's Constitution allows (a) each shareholder who is not a relevant intermediary the right to appoint up to two proxies and (b) each shareholder who is a relevant intermediary to appoint more than two proxies to attend, speak and vote on their behalf in general meetings. "Relevant intermediary" has the meaning ascribed to it in Section 181 of the Companies Act.

The forthcoming AGM and EGM to be held on 23 April 2021 will be convened and held by way of electronic means pursuant to the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020. Alternative arrangements relating to attendance at the AGM and EGM via electronic means (including arrangements by which the meeting can be electronically accessed via live audio-visual webcast or live audio-only stream), submission of questions to the Chairman of the AGM and EGM in advance of the AGM and EGM, addressing of substantial and relevant questions at, or prior to, the AGM and EGM and voting by appointing the Chairman of the meeting as proxy at the AGM and EGM, will be put in place for the AGM and EGM. The notices and proxy forms of the AGM and EGM, FY2020 Annual Report and the circular for the EGM, have been distributed electronically via SGXNet and the corporate website.

11.5 The Company publishes minutes of general meetings of shareholders on its corporate website <https://www.rexih.com/> as soon as practicable. The minutes record substantial and relevant comments or queries from shareholders relating to the agenda of the general meeting, and responses from the Board and Management.

The Company had published the minutes of the annual general meeting and extraordinary general meeting which were held on 21 May 2020, within one month from the conclusion of the respective meetings.

## CORPORATE GOVERNANCE REPORT

### 11.6 *Dividend Policy*

The Company does not have a fixed dividend policy. Nonetheless, Management will review, *inter alia*, the Group's performance in the relevant financial period, projected capital needs and working capital requirements and make appropriate recommendations to the Board on dividend declaration.

No dividend has been declared or recommended for FY2020 for the Company as the Group did not have any profits for FY2020.

### ENGAGEMENT WITH SHAREHOLDERS

**Principle 12** *The company communicates regularly with its shareholders and facilitates the participation of shareholders during general meetings and other dialogues to allow shareholders to communicate their views on various matters affecting the company.*

- One-on-one and group meetings;

Shareholders may contact the Lead Independent Director at [independent.director@rexih.com](mailto:independent.director@rexih.com).

Following amendments to Rule 705 of the Catalist Rules which took effect on 7 February 2020, the Company announced on 3 March 2020, that it would not continue with quarterly reporting of the Company and the Group's financial statements. The Company now announces the financial statements of the Company and the Group on a half-yearly basis. However, as a mineral, oil and gas company, the Company continues to provide quarterly updates on its use of funds as required under Catalist Rules 705(6) and 705(7). The Company also provides timely updates on its operations whenever there are material developments.

Investors can also opt for email alerts on the Company's latest announcements.

### COMPLIANCE WITH APPLICABLE CATALIST RULES

#### *Appointment of Auditors*

- 1204(6)(c) The Company confirms its compliance to the Catalist Rules 712 and 715. Significant foreign subsidiaries are audited by KPMG LLP, Singapore for consolidation purpose, and other member firms of KPMG International. Both KPMG LLP and the audit partner-in-charge have the relevant experience in providing audit services to various clients in the oil and gas industry. Other foreign subsidiaries are registered BVI companies that have no operational activities in FY2020.

#### 1204(8) *Material Contracts*

Save as announced via SGXNet, there were no material contracts or loans entered into by or taken up by the Group involving the interest of the CEO, any Directors, or controlling shareholders which are either still subsisting at the end of FY2020 or if not then subsisting, entered into since the end of the previous financial year ended 31 December 2019.

#### 1204(10) *Confirmation of Adequacy of Internal Controls*

The Board and the AC are of the opinion that the internal controls are adequate and effective to address the financial, operational, compliance and information technology risks, and risk management systems which the Group considers relevant and material to its current business scope and environment based on the following:

- Assurance has been received from the CEO, CFO and key management personnel that are responsible for the adequacy and effectiveness of the Group's risk management and internal control systems;
- An internal audit has been done by the IA and significant matters highlighted to the AC and Management were appropriately addressed;

## CORPORATE GOVERNANCE REPORT

- Management regularly evaluates, monitors and reports to the AC and RMC on material risks;
- Discussions were held between the AC and auditors in the absence of the Management to review and address any potential concerns;
- An enterprise risk management framework is in place to identify, manage and mitigate significant risks; and
- Risk appetite statements with tolerance limits have been approved by the Board to contain risks within acceptable levels and are monitored on a quarterly basis.

The Board notes that the system of internal controls and risk management provides reasonable, but not absolute, assurance that the Group will not be adversely affected by any event that could be reasonably foreseen as it works to achieve its business objectives. In this regard, the Board also notes that no system of internal controls and risk management can provide absolute assurance against the occurrence of material errors, poor judgment in decision making, human error, losses, fraud or other irregularities.

1204(10A) There is no family relation between the chairman and the CEO of the Company.

1203(10C) The AC is of the view that the Company's IA function is independent, effective and adequately resourced.

1204(17) ***Interested Persons Transaction ("IPT")***

The Company does not have an IPT Mandate.

In FY2020, the Group entered into options agreements, with Trace Atlantic Oil Ltd ("**Trace**"), which are IPTs, for Trace to have options to receive shares of proceeds of potential dividends from Lime Petroleum AS ("**LPA**") due to Rex International Investments Pte Ltd ("**RII**") if drilling activities of the Apollonia prospect in licences PL236D/E and the Fat Canyon prospect in licences PL937/B are successful respectively. RII has a 90% interest in LPA.

A summary of the terms in the Options Agreements is as follows:

Licence	Prospect	LPA's interest	Option Fees	Number of conditional options	% of dividends due to RII that Trace would receive upon exercising all options
PL263D/E	Apollonia	20%	US\$550,000	550,000	6.75%
PL937/B	Fat Canyon	15%	US\$550,000	550,000	12.00%

Dr Karl Lidgren and Mr Hans Lidgren are controlling shareholders of the Company with a 34.71% deemed interest in the Company held through Limea Ltd., which each of Mr Hans Lidgren and Cresta Group Ltd (which is wholly-owned by Dr Karl Lidgren) have a 50% shareholding interest respectively.

Dr Karl Lidgren and Mr Hans Lidgren have a 64.59% deemed interest in Trace held through intermediate entities, in which Limea Ltd. has an 80% shareholding interest. Dr Karl Lidgren is also a Non-Independent and Executive Director of the Company. As such, Trace is an "interested person" pursuant to Chapter 9 of the Catalist Rules. Accordingly, the entry into the Options Agreements between RII, as the Company's direct wholly-owned subsidiary and Trace as an "interested person", is an "interested person transaction" pursuant to Chapter 9 of the Catalist Rules.

## CORPORATE GOVERNANCE REPORT

Notwithstanding the above, the aggregate value of the option fees ("**Option Fees**") which amounts to US\$1.10 million represents approximately 0.73% of the Group's latest audited net tangible assets as at 31 December 2019, being US\$150.18 million ("**NTA**"), which is less than 3% of the NTA. Accordingly, the Company is not required to make an announcement in respect of the Options Agreements pursuant to Catalyst Rule 905. However, the Company has elected to make an announcement to inform shareholders of how part of LPA's participation in the exploration drilling of the Apollonia and Fat Canyon prospects in PL263D/E and PL937/B respectively will be funded.

Save as disclosed above, there were no other IPTs that were more than S\$100,000 entered into by the Group in FY2020.

The Company has adopted an internal policy in respect of any transactions with an interested person (as defined in the Catalyst Rules) and has established procedures for the review and approval of all IPTs entered into by the Group. The AC reviews the rationale and terms of the Group's IPTs, with the view that the IPTs should be on normal commercial terms, at arm's length basis and are not prejudicial to the interests of its minority shareholders.

As part of the Company's policy, Directors are required to disclose to the Board all actual and potential conflicts of interest. A Director shall recuse himself or herself from discussions and abstain from voting on resolutions regarding any contract, arrangement or any other transaction in which he or she has any personal material interest, directly or indirectly.

1204(19)

### ***Dealing in Securities***

The Company and its subsidiaries have adopted an internal policy which prohibits the Directors and officers (including employees) from dealing in the securities of the Company while in possession of price-sensitive information.

The Company, its Directors and officers (including employees) of the Company and its subsidiaries are also discouraged from dealing in the Company's securities on short-term considerations and for FY2020, were prohibited from dealing in the Company's securities during the period beginning one month before the announcement of the Company's half-year and full-year financial statements, and ending on the date of the announcement of the relevant results.

1204(21)

### ***Non-sponsor Fees***

S\$12,000 of non-sponsor fees were paid to the Company's sponsor, Novus Corporate Finance Pte. Ltd. in FY2020.

1204(22)

### ***Use of Proceeds Raised from Placement Exercise***

The Company had on 6 November 2013, completed a placement of 70 million new ordinary shares at an issue price of S\$0.755 per share (the "**2013 Placement**"), raising net proceeds of S\$50.87 million (after deducting placement expenses of S\$1.98 million). As at the date of this report, the Company had utilised all the 2013 Placement proceeds except for the amount allocated to the share buyback mandate of S\$5.96 million.
